

## **Stop & Shop and Target Rewards Programs Bring Money to Holy Trinity**

Stop & Shop's A+ School Rewards Program earns Holy Trinity points with every dollar that you spend at Stop & Shop within the program year. At the end of the year, Trinity will receive a check. Thank you for all who participated last year. Last year, we received a check for approximately \$100.00. In order to help Trinity again this year, you need to re-register your Stop & Shop card by going to [www.stopandshop.com/aplus](http://www.stopandshop.com/aplus).

The school is also enrolled in Target's Take Charge of Education Program. This program is similar to the Stop & Shop Program. Target donates up to 1% of the eligible purchases made with your Target REDcard to the school of your choice. Once enrolled, you do not need to re-enroll every year as with Stop & Shop. This year we received a check from Target for \$555.00 from 49 register cardholders and have received a total of \$6,790.12 since Trinity was first enrolled.

Imagine the amount of money that we would receive if everyone of our staff, parents and alumni who have a REDcard registered their cards and specified Trinity as their school. Registering now before the holiday shopping season begins is the perfect gift to Holy Trinity!!!

Thank you to all of those who have participated in the past and hope those who have not will consider doing so in the future.
